

# CCNSW annual activity survey 2023-24

Please note that operators will not be asked all questions unless they are relevant to a particular facility.

## Cemetery operator activity

### Burials

<p><b>Did the cemetery perform any burials (interments of bodily remains) from 1 July 2023 to 30 June 2024?</b></p> <p>Burial refers to the placement of bodily remains in the earth or in a mausoleum, vault, or other structure designed for the placement of such remains.</p>	<p>Yes    No</p>
<p><b>If yes, please answer the below questions. If no, skip to ash interments.</b></p>	
<p><b>Burials into a new (not used) perpetual interment site in this reporting period</b></p>	
<p><b>Burials into an existing (previously used) perpetual interment site in this reporting period</b></p>	
<p><b>Burials into a new (not used) renewable interment site in this reporting period</b></p>	
<p><b>Burials into an existing (previously used) renewable interment site in this reporting period</b></p>	
<p><b>Total number of burials in this reporting period</b></p>	
<p><b>How many of the total number of burials in this reporting period were of a person without means (destitute person)?</b></p> <p>Public Health Units under NSW Health have a process to determine who is a destitute person, and for their cremation or burial. The costs of cremation or burial of a destitute person are the responsibility of the Area Health Service. In this survey, a destitute person refers to a person cremated or buried through this program.</p>	
<p><b>How many of the total number of burials in this reporting period were of the remains of an unviable pregnancy or still-born child or a child under 12 years of age?</b></p>	

## Ash interments

<p><b>Did the cemetery perform any ash interments (interments of cremated remains) from 1 July 2023 to 30 June 2024?</b></p> <p>An ash interment is the placement of cremated remains in the earth or in a mausoleum, vault, columbarium, niche or other structure designed for the placement of such remains.</p>	<p>Yes    No</p>
<p><b>If yes, please complete the below questions.</b></p>	
<p><b>Ash interments into a new perpetual interment site in this reporting period</b></p>	
<p><b>Ash interments into an existing (previously used) perpetual interment site in this reporting period</b></p>	
<p><b>Ash interments into a new renewable interment site in this reporting period</b></p>	
<p><b>Ash interments into an existing (previously used) renewable interment site in this reporting period</b></p>	
<p><b>Total number of ash interments in this reporting period?</b></p>	
<p><b>How many of the total ash interments in any interment site in this reporting period were of the remains of a person without means (destitute person)?</b></p> <p>Public Health Units under NSW Health have a process to determine who is a destitute person, and for their cremation or burial. The costs of cremation or burial of a destitute person are the responsibility of the Area Health Service. In this survey, a destitute person refers to a person cremated or buried through this program.</p>	
<p><b>How many of the total ash interments in any interment site in this reporting period were of the remains of an unviable pregnancy or still-born child or a child under 12 years of age?</b></p>	

## Crematorium operator activity

<p><b>Total number of cremations of bodily remains</b></p> <p>Cremation does not include the interment of cremated remains in a cemetery including in an interment site, burial site, grave, structure, niche, etc. Any such activity should be reported separately as an ash interment. If you operate a crematorium as well as a cemetery or a memorial park, this will need to be registered as a separate facility.</p>	
<p><b>How many of the total number of cremations were of a person without means (destitute person)?</b></p> <p>Public Health Units under NSW Health have a process to determine who is a destitute person, and for their cremation or burial. The costs of cremation or burial of a destitute person are the responsibility of the Area Health Service. In this survey, a destitute person refers to a person cremated or buried through this program.</p>	
<p><b>How many of the total number of cremations were of the remains of an unviable pregnancy or still-born child or a child under 12 years of age?</b></p>
